Our Earth—Keep it Clean:

This program is made possible with funding from the Cohoes Savings Foundation.

In this workshop, students will visit the museum to explore ways the air, land, and water are polluted. They'll also find ways that they can help make it cleaner by replanting and recycling. Students will analyze art together and learn about the environment around the world, including what they can do to make our earth a great place to live by conserving our resources.

Cost: \$15/child, \$5/adult. Members get \$2 off!

Please call to reserve your spot: 518-793-2773 ext. 305. *Each lesson is limited to 10 children, so sign up quickly!*
